Zerf Productions founded in 1988. We raise awareness and funds through artistic endeavors and provide humanitarian aid in Canada and Africa. Zerf is unique in that, it is a vehicle whereby artists are able to pool their resources to produce and promote their work. The organization does not limit its scope to any one ideology, gender, or ethnic group. We develop projects linking Canada to other countries according to common interest; arts and culture, education, health care, social-economic, sports and game. In 21 years Zerf Productions has earned many awards, including the Queens Jubilee Medal, YMCA Peace Medal, and designations from the South African High Commissioner and the South African Women for Women. Zerf has established teams in the Congo, Kenya, Tanzania, South Africa, and USA.

A special thanks to the renowned and emerging artists who have so freely given their time and talent for this special event. We thank Pastor Samuel and the congregation for the use of the church, and YOU the Audience for helping our food bank and the children affected and infected with HIV and Aids in Africa. We are presently working on drilling a well for an orphanage in Kilimanjaro, to provide the children with clean water and sanitary facilities. Thank you for your donations.

Recordings of previous Zerf Productions will be for sale following tonight's concert.
